KEY FEATURES

-
- Control your **Jetpack** to **fly freely** around space!
 - Use your **Taser-Gun** to activate switches remotely
 - Solve amazing puzzles involving **Zero-Gravity** rooms
 - **Bend time** around you to complete **seemingly impossible challenges**
 - Find **Upgrade Terminals** to acquire **new Abilities**
 - Enjoy a **Speedrun Mode** and **New Game+** to access exclusive **secret areas!**
 - Find **lost recordings** to solve mysteries and learn what lead you to this station
 - **Gamepad** support: *Xbox One, Xbox 360, DualShock 4* and *Steam Controller*

TASER-GUN: PRECISION IS PRECIOUS

Shoot your **taser-gun** to power-up electric devices **remotely**. When you're alone in the universe, this weapon is your best friend.

JETPACK: ENJOY FLYING

Defy laws of physics by **firing up your Jetpack to fly freely through space** and avoid deadly traps. You cannot risk falling into the void; use it wisely and **make sure you have enough fuel** to make your jump!

ZERO-GRAVITY

Discover a **new way of thinking** first-person puzzles and solve puzzles in **Zero-Gravity rooms!**

TIME MANIPULATION

Use your *Hyper-Speed Skill* to **slow down time around you**, allowing you to focus and **survive traps that would be deadly** at regular speed!

UPGRADES

Explore the world and find *Upgrade Terminals* to **acquire new Abilities** and **improve your stats!** Upgrades are **persistent for a New Game+** when the game is completed.

SOLVE BRAIN-ENGAGING PUZZLES

While surviving the adventure through the space station, **dexterity is not your only challenge**; activate switches, complete 2D minigames, use cubes to reach higher grounds, go through portal teleporters, orient light mirrors, search for clues to guess access codes!

SPACE EXPLORATION AWAITS

Explore and pick up **hidden recordings** throughout the station - they will help you solve certain puzzles, recall what happened to you and **find answers** about your past, present and future.

Pick up **health and ammunition packs** as you explore space to help you get through this adventure.

REPLAY VALUE

Many rooms can be **completed in multiple ways**. Others can be skipped using **secret passageways**. Once you have completed the main storyline, continue your adventure in **New Game+** to discover **previously inaccessible Bonus Rooms** and obtain *Bonus Recordings!*

SPEEDRUN MODE

Enjoy a **speedrunner-friendly experience** by enabling *Speedrun Mode*, allowing you to **optimize your timings** and **compete with your friends** via *Steam Leaderboards!*

ACHIEVEMENTS, LEADERBOARDS, TRADING CARDS AND BADGES

Show the **entire world** what a puzzle mastermind you are by unlocking **Achievements**, sharing your **speedrun scores** with your friends and the entire world! Unlock new **Steam Badges** and **Trading Cards** as you play!

Experimental Chapter 4!. **Discord Channel:**

Hello! Thanks to *The Promidius* for his great efforts and work to make this happen, we now have an **Official Discord Channel** for testers to communicate between each other easily, talk directly to us and report suggestions / bugs.

If you prefer to use Discord rather than the Steam community, feel free to **join our Official Discord Channel here:** <https://discord.gg/NceYxww>

Thanks, and **see you soon on Discord!**. **Development Update #8:**

Hello!. **Development Update #14:**

It's been a while since the last Development Update! We've been updating the game through *Steam* and **posted news on our [Discord Server\[discordapp.com\]](https://discordapp.com)**, but not here.

We have been (*and still in the process of*) **moving from France to Canada**, so it has been **very busy around here**, and we didn't have much time recently, but here is a **summary of the improvements that have been made the past two months!**
